RE: Software Developer

Dear Hiring Manager,

I am excited to apply for the Software Developer position you recently posted. Having read through the job requirements, I believe I am qualified for the role and will be able to exceed your expectations. I wanted to contact you to express my interest. I graduated from Lovely Professional University, earning my Bachelor in Computer Science &Engineering and I'm looking to apply my skills and competencies to your esteemed organization. I believe that my qualifications closely align with the type of candidate you are seeking.

In my Software Developer Intern position with Leadsquared, I handled tasks very similar to what you outlined in your job description. With my ability to learn, I know I can quickly close any knowledge gaps to become an asset to your team.

I have effective communication skills and the motivation to take on challenging work. I'm also skilled at C#, C++, Html, CSS, JavaScript, SQL, Asp.Net, and Debugging. I am confident that I have the drive, knowledge and experience you need. The value, I will bring to your organization includes a comprehensive skill set developed through my academic and employment experiences.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to and your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.

Thank you for your consideration.

Sincerely,

Shubham Saket
